

CLERGY & CONGREGATIONAL CARE

Our CCC Program utilizes innovative strategies to improve the health of communities, congregations and religious leaders. Our center is known for counseling individuals and families, but this program expands our services to provide:

- *Educational Services*
- *Enrichment Programs for Clergy*
- *Partnership Programs for Congregations*

Helping clergy through support, education and collaboration.

Promoting health through education and outreach, and increasing access to care when needed

*Accredited by The Samaritan Institute
&
The American Association of Pastoral Counselors.*

Minister Group Consultation

Develop leadership capacity and improve ministry through small group dialogue with clergy members representing different religious communities. Using a consultation model for discussion, this facilitated group will explore leadership issues through appreciative inquiry. Members identify topics by using a 'case consultation' method & selected readings from different perspectives. Examples of topics include Managing Change, Conflict in Congregations, or Growing the Membership.

Fourth Tuesdays 2:30-4:30 PM

Location: Honpa Hongwanji Conference Room

Feb-Nov, 2011

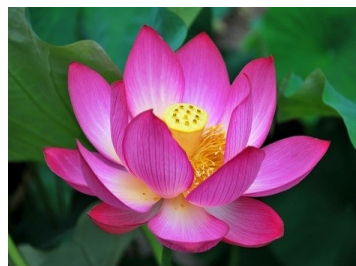

Fee: \$45 per month

**Requires 1 year enrollment*

Congregational Outreach

We provide outreach by speaking to congregations about our counseling and other services in various venues. We can speak during announcements; provide a table at resource fairs; provide adult education on mental health awareness and how we integrate spirituality into counseling to enhance the healing process. We can also provide services that speak to the mission of our center and how we are aligned with the ministries of many churches and temples.

Outreach can be scheduled by contacting the center
No fee for this basic level of outreach

Counseling Skills for Clergy

This is a three-part seminar series that covers basic counseling skills that can enhance ministry. The series provides an introduction to some common mental health problems in Western society. There is an overview of how ministers can support individuals and families through pastoral counseling. Topics include those most frequently encountered by ministers in the community (non-medical settings). Seminars can be tailored to specific cultural groups or offered for interfaith and multi-cultural participants.

Part I-Counseling Through Life's Transitions

Part II-Counseling on Family Matters

Part III-Counseling from Despair to Hope

Date/Times are arranged with the center

Fee each part: \$90/per minister

**Series recommended*

Transformational Education for Congregations

These ½ day workshops can be offered as part of a weekend or Sunday program, or as a series of two evening meetings. These programs emphasize health and wellness in mind, body, spirit and community. The format is informational as well as experiential. Participants will hear about ideas, participate in exercises to go deeper with the information and have opportunities to role-play, question and discuss the topics.

I. Finding Balance: Women, Spirituality and Health

II. Finding Grace: Managing the Transitions of Aging

Date/Times are arranged with the center

Fee: \$25 each participant

**Other topics can be arranged individually by contacting the center*

Partnership in Ministry Program 2011

The partnership in ministry program supports and extends the ministry of a congregation or religious communities by making accessible the counseling, education and consultation services of the Center to the membership and the religious leadership. Partnerships can be renewed on an annual basis.

In the Partnership covenant, a congregation receives.....

Vouchers used to sponsor counseling sessions (one session per voucher), or can be put toward the cost of congregational or clergy educational programs.

Level III = 7 vouchers

Level II = 5 vouchers

Level I = 3 vouchers

Discount advantages for educational programs and events.

In a Partnership covenant, clergy receive.....

The opportunity to converse informally, usually via phone, with clinical staff or program staff concerning issues clergy may be dealing with in their own counseling efforts with parishioners.

Discount advantages for clergy educational programs and membership in a Clergy Leadership Group

** Vouchers have an \$85.00 value toward an educational or enrichment program*

In a Partnership covenant, a congregation agrees to.....

Use the Counseling and Spiritual Care Center as a preferred referral source for counseling, education and training.

Promote the purpose and mission of the Center in the congregation through prayer and publicizing information supplied by the Center in newsletters and worship service bulletins.

Support the ministry of the Center by contributing annually to the ***Client Assistance and Program Development Fund***.

Level III = \$1200 or higher

Level II = \$850-\$1199

Level I = \$500-\$849
