The answer will be given out at the next meeting.

#### Orchid Plant Sale:

Anyone can sell their plants at our monthly meetings. However, sellers are required to enter at least one blooming plant for judging. The only exception is the month of June when we have our annual silent auction. Please note that the Society does not collect anything for providing this opportunity. A donation of a plant to be raffled would also be greatly appreciated.

#### Congratulations to Joanie Fujishiro:

Thank you to Joanie for stepping up to fill the role of recording secretary. She replaced Jane Kageura who had to step down for personal reasons. Jane, you will be missed. Welcome Joanie.

### Car Pooling:

We have found that there are Society members that do not drive at night or have other reasons that prevent them from attending meetings. Since they cannot attend, they feel that perhaps they should no longer be members. Your Society would like to initiate a system of rides for anyone who needs a ride to our meetings. Newly elected director, Judy Nakamura, also our social director, will be coordinating this effort. She will be doing two things. First, she will get together a list of those who need rides. Second, she will request other members who live close to someone to pick them up and bring them to the meetings. Please kokua and give Judy a call

You must be a member in good standing (paid your 2010 dues) in order to attend the banquet. Bring your family and friends!

#### Membership Drive:

In reviewing the list of people who have not paid their dues, your board finds that a great many of you have just forgotten to renew. Please check with me or Grace or Ralph on your status.

HOWEVER, this is not enough. No club/society/organization can continue to exist without the influx of new members. This rotation of old members phasing out needs to be countered by an influx of new members. <u>ALL</u> of us need to think of our society in terms recruitment of new members. We need to of brag about it to our friends and associates, spreading the word about the activities that we have and the camaraderie that we share. We need to boast about our Proclamation Day (GREAT article and pictures with the Mayor, Gayle), the zoo hui, our banquet, our orchid show, weeding assistance, FREE ORCHIDS!

With this in mind, tell us what you would like to see at the meetings. I like the hands on demonstrations of potting and those concerning watering and fertilizing. They have been interesting, and informative. What would YOU like to see that will keep your interest in the club up and, more importantly, WHAT YOU FEEL YOU COULD BRAG ABOUT TO OTHERS TO MAKE THEM JOIN US. Email or call anyone of the board members – we are all listed at the top of this newsletter, with your comments and suggestions.

#### How to Make a Shade House – Dave Steel's presentation:

Ahhh. This picture of Dave, caged, is perfect! Actually he is explaining the intricacies of reinforcing the PVC framing of the side of a shade house. Thanks to his able assistant Arttie for his help with the presentation.

Dave got most of his supplies at Hawaii Hardware, Home Depot, and City Mill. The shade cloth and the Duroc are a best buy at City Mill.

Dave uses PVC to construct the framework of his shade house with connectors, other supplies, and tools needed to handle the task. There are other methods and styles using wood, concrete and pipe, if you so desire or have the skills to work in these media.

However, no matter what your druthers, Dave stressed making a plan based on what type of plants you are going to house, the amount of shade you will need for them, watering, fertilizing and other factors. PLANNING is the key!

Some planning must also be given to the foundation on which your house is going to rest. 3 mil weed blocking Mylar, rolls of asphalt paper used for roofing, a bed of cinder placed over weeded ground, are options that are available. The combinations of all of the above or something else is up to your ingenuity, skill level, and physical location.

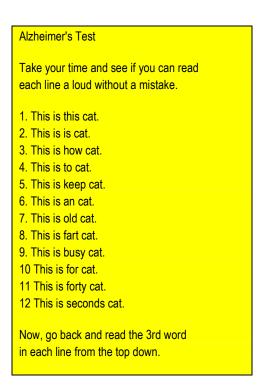

Dave had a slide presentation that he will try and get to me so I can place it on the website.

Dave is a most gracious host and has offered to have you come over to see his creation.

Dave Steele Phone: 373-4910 Address: 1618 Ihiloa Loop.

Call and make arrangements for a visitation.

GREAT job Dave!

The following two stories deserve pages of their own. Congratulations from your board and the entire Society for a job well done!

#### Kaimuki Orchid Society Day, December 11, 2009:

WHEREAS, the Kaimuki Orchid Society is a nonprofit organization, which George Agena, Robert Itoman and Walter Lum founded more than 30 years ago, to promote and nurture the culturing of orchids; and

WHEREAS, the group has a membership of more than 150 hobbyists committed to sharin with the community their love of the beauty and diversity represented by orchids; and

WHEREAS, the organization meets monthly at the Kilauea Recreation Center, exchanging ideas and techniques of orchid propagation and care to include hands-on demonstrations; and

WHEREAS, the Kaimuki Orchid Society shares its knowledge with the public through media, exhibitions, shows and workshops to raise awareness and appreciation of orchids; and

WHEREAS, the society has partnered with the Honolulu Zoo for more than 25 years to transform a display area into a must-see exhibit at the zoo; and

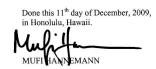

WHEREAS, the Kaimuki Orchid Society participates in the zoo's annual Military Appreciation Day, providing free orchids, lei, wristlets and plants,

NOW, THEREFORE, I, MUFI HANNEMANN, Mayor of the City and County of Honolulu, do hereby proclaim December 11, 2009, to be

#### KAIMUKI ORCHID SOCIETY DAY

in the City and County of Honolulu, and I extend my deepest appreciation for the society's outstanding contributions to our zoo, horticulture and our community.

Thank you to Dave Steele, Dennis and Mary Ann Arakaki, Bob and Harriet Itoman, Alma Ho, Elinor Ikawa, Christine Herring, and Barry and Paula Wheeler, for coming and representing The Kaimuki Orchid Society at City Hall for the Proclamation presentation. It was time well spent, even with the parking woes and slight delay (forgot that it was furlough Friday)—a fun memory for us all!

Mayor Mufi Hanneman did an excellent job acknowledging what our partnership with the Honolulu Zoo does in the big picture of community involvement towards enhancing our public facilities. It was indeed nice to hear as well as the time spent taking individual photos with the mayor and receiving individual certificates as well as a large group photo with the Mayor's proclamation. These photos will be sent to me and I will share them with you at the next meeting if it comes by then.

Thank you to Dave Steele for his most appropriate comments to the mayor on behalf of The Society! Dave also has the individual certificates for those who were not in attendance but are part of the zoo

#### partnership.

City Hall was resplendent in Christmas cheer and beautifully decorated trees and Gingerbread houses! We also appreciated that Sidney Quintal, Stephen Walker, Ron Kodama and Barb Thacker supported this resolution in person.

- Gayle Ozawa

#### Honolulu Zoo Partnership:

KOS has worked with the Honolulu Zoo as one of their partners for two years. Gayle Ozawa spearheaded the

partnership and got the ball rolling. We are responsible for the maintenance of three photo op areas across from the tigers. There is a beautiful sign crediting the Society for these beautiful areas and in January, Mayor Mufi Hanneman has recognized the work that the Society has been doing.

Since the beginning of this partnership, there have been a core of dedicated volunteers who have spent their spare time at the zoo doing general clean up and landscaping. Walter and Gayle Ozawa, Dennis and Mary Ann Arakaki, Barry and Paula Wheeler, Ike and Elinor Kikawa, Lisa Abbott, Christine Herring, Robert Itoman and Kean Matsumoto have done the basic

work. Some of them are going once a week and the Society has gotten credit for the nice job they are doing.

Initially, they had a lot of cleaning up, hauling of trash and preparation of the three areas which were originally animal cages!!

End result, December 2008

How about the rest of you? Working at the zoo gives you the opportunity to give back to the community, get to know other members, and generally go and have a good time!! Give Kean Matsumoto a call and let him know you can spend part of one day a month at the zoo! MAHALO!!
