## Principal's Message

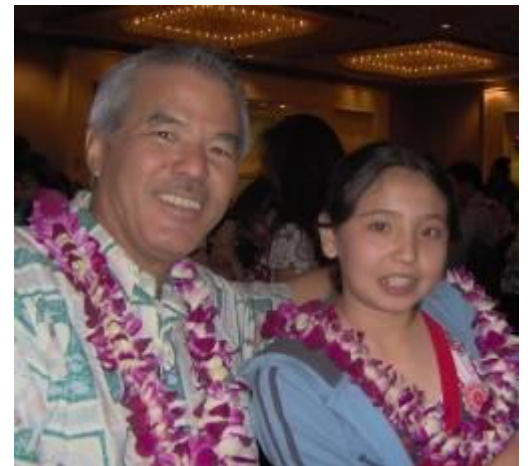

Happy New Year and welcome back everyone! I am hoping that all of you had the time and opportunity to rest and to spend quality time with your friends and family. Anyone make a new years resolution?

**GOOD NEWS!** Queen Lili'uokalani School has received approval by Complex Area Superintendent Estelle Wong for its Academic and Financial Plan School Year 2008-09. Our new 3 year Strategic Plan has also been accepted. Congratulations to everyone who have worked hard and contributed. Job well done!

A "special thanks" to Mrs. Deanne Yoshioka for her outstanding coordination and attention to detail.

Winter break went well with time to catch up and to organize. Mr. Wilson Chun and his crew have cleaned classrooms and shampooed the carpet in the library. We have improved our School Inspection rating earning 17 out of 18 points. QLS also held ESY for our complex elementary schools. Things went really well with great planning by SSC (School Service Coordinator) Janice Oshiro and the follow through by our office staff. Mr. Tavis Kagawa, our technology guru, has now completed writing our new Technology Plan which will be implemented this semester. Once again, welcome back everyone. 2008 holds much promise and potential

Congratulations to all of our students, faculty, and staff for the teamwork in achieving the honor of being a Hawaii Distinguished School for 3 years in a row! The honor is given to schools who consistently meet AYP (Adequate Yearly Progress).

## **Spring Testing** **By Carolyn Ohara, Counselor**

The Hawaii State Assessment for Reading and Math is just around the corner. Since 1999, the Hawaii State Department of Education has maintained learning expectations, known as the Hawaii Content and Performance Standards (HCPS), for Hawaii's students. The Hawaii Content and Performance Standards identify important ideas, concepts and skills that students must learn and they describe what students must do to show their mastery of the standards. The Spring Hawaii State Assessment for grades 3, 4, 5, 6, 7, 8, and 10 measures how well students are doing in Reading and Mathematics.

Testing at Queen Lili'uokalani will take place April 1 – April 11, 2008. Three subtests for reading and three subtests for math will be administered. It is important that students participate in all subtests in order to get valid proficiency level scores. We therefore request that parents do not schedule appointments for their child(ren) during school hours on the days tests are administered.

Parent Information Booklets will be sent home with students in grades 3 – 6 prior to the test. If you have questions, please don't hesitate to call the school counselor, Mrs. Carolyn Ohara, at 733-4680.

## **GLO AWARDS** **By Carolyn Ohara, Counselor**

Every month until April 2008 we will be acknowledging students, at a special noon assembly on the third Wednesday of each month, who effectively displayed characteristics of the GLO theme for the month. In January, we awarded these students for being an "Effective & Ethical User of Technology":

## **Parents & Guardians – did you receive a Parent & Guardian School Quality Survey from the DOE?**

School Quality Survey (SQS) is a DOE-administered survey that asks teachers, students, and parents for their opinions of school quality and is distributed to a sample of local parents/guardians. Schools may find survey results useful when developing self-reports for accreditation and standards implementation. The responses are strictly confidential and results will be available to the public in Fall 2008 on the DOE website. Schools use the information from the SQS to develop their School Improvement Plans. Final Deadline is March 1<sup>st</sup>.

### **Common Grace**

**by Pastor Ron Arnold**

Common Grace links volunteers from a local church with kids in a public school. The motto of Common Grace is “Matching the kindness of a local church with the needs of a kid in the public school.” The first “partnership” between a church and a school was in 2003; it was between Kaimuki Christian Church and Queen Lydia Lili‘uokalani Elementary. Now there are 36 church/school partnerships! For the past 5 years, volunteers from Kaimuki Christian Church, known as “Aunties” & “Uncles” or simply as “Buddies”, have been spending an hour a week with a child at Lili‘uokalani. We rely on the teachers for selection of Common Grace Kids, who secure permission from parents/guardians, and then seek to support the family and the school by being a caring friend. If you would like more information about Common Grace, go to [www.commongrace.org](http://www.commongrace.org) or contact Dee Arnold at [arnold.deanna@gmail.com](mailto:arnold.deanna@gmail.com) or 779-5381. (Editor’s Note: There is no religious preaching to the students from volunteers.)

### **On Doing Homework:**

"Dad," said Little Johnny, "I'm late for football practice. Would you please do my homework for me?"

The father said irately, "Son, it just wouldn't be right."

"That's okay," replied Little Johnny, "but you could at least give it a try, couldn't you?"

### **Stop Sign:**

Driving my car one afternoon, I rolled through a stop sign. I was pulled over by a police officer who recognized me as his former English teacher.

"Mrs. Brown," he said, "those stop signs are periods, not commas."

### **Child's view of marriage:**

The child was a typical four-year-old girl -- cute, inquisitive, bright as a new penny. When she expressed difficulty in grasping the concept of marriage, her father decided to pull out his wedding photo album, thinking visual images would help. One page after another, he pointed out the bride arriving at the church, the entrance, the wedding ceremony, the recessional, the reception, etc.

"Now do you understand?" he asked.

"I think so," she said, "is that when mommy came to work for us?"
