President Richard Kaneko's Message: Our president is out of the country.

Club Activity: Vision and Hearing Screenings

There are many, many screening projects coming up in our zone, and our region. Selvin and I will split ourselves up to cover as many as we can. We need to in-service on the new data collection procedure. The major ones are the standards with Hawaii Kai. This will be a good time for us to practice with the new tests. Sign-ups will be circulated.

10/11	8:30	Kamehameha PS	Vision	Hawaii Kai
	10:30	Kuapa PS	Vision	Hawaii Kai

Member Activity: **In-service training – Pearl City Lions**

I attended the Vision Screening Training Program sponsored by District 50 and the Pearl City Lions Club September 25th, 8:30 am, at the Pearl City High School Cultural Center. It was excellent. The information provided and "hands on" training was presented in an easy to understand and professional manner. Although many clubs have been doing vision screening over the decades the new District 50 Vision Screening program offers a much more to the youth of Hawaii. Its standardized training, forms, letters, vision packets and data recording truly validates our efforts in providing this service. All lion should consider attending these classes so that all frontline volunteers can be prepared to support this new and revised initiative by the district. I would like to extend a big Mahalo to all the members of the District 50 Vision project (our own Koko Head Lions, Selvin Chin-Chance and Phil Sharp are members), and the Pearl City lions for hosting such a worthwhile training class.

Catch My Eye

A man is dining in a fancy restaurant and there is a gorgeous redhead sitting at the next table. He has been checking her out since he sat down, but lacks the nerve to talk with her.

Suddenly she sneezes, and her glass eye comes flying out of its socket toward the man. He reflexively reaches out, grabs it out of the air, and hands it back.

'Oh my, I am so sorry,' the woman says as she pops her eye back in place...

'Let me buy your dinner to make it up to you,' she says.

They enjoy a wonderful dinner together, and afterwards they go to the theatre followed by drinks. They talk, they laugh, she shares her deepest dreams and he shares his.. She listens.

After paying for everything, she asks him if he would like to come to her place for a nightcap and stay for breakfast. They had a wonderful, wonderful time.

The next morning, she cooks a gourmet meal with all the trimmings. The guy is amazed. Everything had been SO incredible! 'You know,' he said, 'you are the perfect woman. Are you

this nice to every guy you meet?'

'No,' she replies. . .
She says : 'You just happened to catch my eye.'

A Jack Daniels Fishing Story

I went fishing this morning but after a short time I ran out of worms. Then I saw a cottonmouth with a frog in his mouth. Frogs are good bass bait.

Knowing the snake couldn't bite me with the frog in his mouth I grabbed him right behind the head, took the frog, and put it in my bait bucket.

Now the dilemma was how to release the snake without getting bit. So, I grabbed my bottle of Jack Daniels and poured a little whiskey in its mouth. His eyes rolled back, he went limp. I released him into the lake without incident and carried on fishing using the frog.

A little later, I felt a nudge on my foot.

There was that same snake with two frogs in his mouth.

Life is good in the South.
