THURSDAY SEPTEMBER 24, 2009

Aloha Vintner Ernest!

bells are ringing, corks are popping...

Once again, it's that time of year!
To toast our friends & say Cheers!
September has come
And is now almost gone
So soon October will be here
And so will costumes and hauntings and bonbons.
But something is missing
What could that be
It must be the call
To our favorite WINERY!

That's right! That was it!
We need to start our wines for the ultimate holiday gift!!!
Its not too late. NOW is the time
To come in for your tasting and order your lovely wine.

What's this? A sip of wine?
An offer to taste some nectar from vines?
Then 6 to 8 weeks we wait
To bottle it up and create!
The PERFECT gift for the Holiday???
Our Custom Wine Bottles... HURRAY!!!

See our article in PBN?

"We're like the liquid form of the slow food movement."

We had a **fantastic** story in Pacific Business News (PBN) – Small Business Strategies section, just this last week!
Did you get a chance to read it? :)

Interested in gift packages?

We can do that!!
If you would like to dress your bottles up, we can arrange a custom gift wrap package of 2 bottles of *your* wine with a xmas label & a corkscrew. Only an extra \$30 per set, and we need just a little notice.

Too busy to bottle? Need us to help?

No problem! We know schedules get tight when the holidays get close.

We will happily bottle your barrel for you, labels and all, and have the wine here for pickup.

\$30 per barrel = no stress!

Let us know!

we <3 our winery dogs...

This one's for the Maka and Ipo lovers out there. :)
This was from the PBN story, and though it didn't get selected to be featured, I'm sure the lovely editors at the paper thought... *lucky dogs*.
(Cheers to Christina Failma of PBN for sharing the sweet shot!)
