Aloha Vintner Ernest!

Time to wash away that excess candy with your own wine...

We hope everyone had a fantastic Hallo-WINE weekend. Whether you went trick or treating with keiki (or stayed home & scared em), bottled wine in costume as an invasive Miconia, invaded the madness of Waikiki, or stayed in and watched Twilight, we'll toast ya!!

Halloween weekend also means another looming beast – the start of the holiday season!!!
Veteran's day just passed, then shortly Thanksgiving, and all too soon Christmas!
Make a statement and have your own custom wine.

Call us at 738-0738!

Is there still time?

Yes. Some wines can still be ready. We also always have a backup plan, so let us know when you need the wine by, and we can have something ready for ya.
