CUT

Not to toot our own horns, but we have our very own Aveda Pureprofessional™ Educator and Certified Vidal Sassoon In Salon Educator. This means we have world-class continuing education and therefore some of the best cutters that you can find anywhere.

Women's Cuts: \$45–\$110

We offer complimentary bang trims and neck clean-ups between visits.

COLOR & BLONDING

Whether you're looking for a dramatic change or a little maintenance, you're in good hands with our color team. Our colorists regularly attend classes and workshops which keep them up-to-date on the latest trends and techniques.
