President's Message

-President Gavin Hall

Thank you for again agreeing to assist your fellow brothers and sisters through another year of service with the Koko Head Lions Club. We had a very successful last term with the expansion and refinement of our Sight and Hearing Program with the schools and look forward to Lions Phil and Selvin continuing their work in that arena. The Hawaii Lions Foundation is working closer than ever with our clubs and the District and having our own HLF Trustee within the club doesn't hurt on keeping informed of what's happening there.

I am looking forward to this coming year. I'm looking forward to continuing to work closely with the schools and community and hoping we can pass on our wisdom and teach those who are to follow, our kids, good ideas, good discipline and good values.

The budgets for our Committee Assignments are due. Please make sure to submit the budget you think you will need for the coming year. If you are asking for an increase, please be ready to defend your position.

Thank you again for the opportunity to serve,

Gavin Hall

Koko Head Lions Help Send off International Youth Camp Students

-Selvin Chin-Chance

The 2011 contingent of International Youth Camp (IYC) participants were treated to a farewell dinner and celebration at Manoa Elementary School cafeteria by representatives of several Lions Clubs. The 28 participants representing 15 countries including 3 students from Hawaii reciprocated the hospitality by performing several hulas and staged dance and ballet routines. Some of the dance routines were created and performed by Holly Smith of England.

Koko Head was represented by Lions Stan Torricer, Phil Sharp and Selvin Chin-Chance. As an Aloha from Koko Head and the Region V Zone 2 clubs each student was presented a 8 x10 copy of their group photo at the Diamond Head Hike, a certificate of accomplishment for climbing Diamond Head and a DVD documenting the hike. Several Koko Head Lions provided photographs and movies for the DVD (Roger Izuka, Stanford Ito, and Selvin Chin-Chance). Lion Peggy Oyama of Hawaii Kai Lions also provided photos.

We look forward to next year's group.

Koko Head Lion Helps to Train MRC Volunteers for Hearing Screening -Selvin Chin-Chance

On July 2, Lion Dr. Shannon Ching and a team of fellow lions including Lion Selvin Chin-Chance of Koko Head Lions and Lion Berta Jenkins of Mililani Lions along with members of several other Lions Clubs participated in the training of members of the Medical Reserve Corps (MRC) for Hawaii in the procedures for hearing screening.

The MRC members are part of a group of medical volunteers trained to respond in times of large scale civil emergencies. They also volunteer their time in community projects that are primarily medically related. D50 Lions vision and hearing programs are a great opportunity for the MRC members to do fulfill their community work.

Lion Dr. Ching was also assisted by Lions Al deMello and PDG Merv Wee in demonstrating the various hearing screening tests used in our school wide screening program. After MRC members were given some background information about our program and equipment they were allowed to do hands on setup and proper use of the hearing screening equipment.

It was an extremely interactive session with lots of insightful questions asked by the MRC group. We look forward to their help in our hearing screening program this coming school year.

Life Explained

-submitted by Phil Sharp

On the first day, God created the dog and said, "Sit all day by the door of your house and bark at anyone who comes in or walks past. For this, I will give you a life span of twenty years."

The dog said, "That's a long time to be barking. How about only ten years and I'll give you back the other ten?"

So God agreed.....

On the second day, God created the monkey and said, "Entertain people, do tricks, and make them laugh. For this, I'll give you a twenty-year life span."

The monkey said, "Monkey tricks for twenty years? That's a pretty long time to perform. How about I give you back ten like the dog did?"

And God agreed.....

On the third day, God created the cow and said, "You must go into the field with the farmer all day long and suffer under the sun, have calves and give milk to support the farmer's family. For this, I will give you a life span of sixty years."

The cow said, "That's kind of a tough life you want me to live for sixty years. How about twenty and I'll give back the other forty?"

And God agreed again.....

(Continued from page 4)

On the fourth day, God created humans and said, "Eat, sleep, play, marry and enjoy your life. For this, I'll give you twenty years."

But the human said, "Only twenty years? Could you possibly give me my twenty, the forty the cow gave back, the ten the monkey gave back, and the ten the dog gave back; that makes eighty, okay?"

"Okay," said God. "You asked for it."

So that is why for our first twenty years, we eat, sleep, play and enjoy ourselves. For the next forty years, we slave in the sun to support our family. For the next ten years, we do monkey tricks to entertain the grandchildren. And for the last ten years, we sit on the front porch and bark at everyone.
